

## Technical Specifications of Piezometer

Instrument : VW Piezometer.  
No. of instrument : 6 Nos (3 Nos sensors for each bore hole), with one portable read out unit and 4 core cable.  
Measuring Range : 0 to 10 bar  
Accuracy : +/- 0.5%fs  
Resolution : 0.1% fs  
Over Range : 150%  
Thermister : Provided  
Dimensions : 50mm dia x 165 mm length approx.  
Bore Hole Depth : 16 Meter  
No. of Bore hole : 2.  
Objective : To measurement of pore water pressure  
Acceptable Make : AIMIL/ACE
